IN THE MATTER OF)	UTILITY DIVISION

by Qwest Communications Corporation)	DOCKET NO. D2003.10.153
Initial Tariff and Price List for Qwest)	
Communications Corporation)	ORDER NO. 6523b

PROTECTIVE ORDER

On January 9, 2004, Qwest Communications Corp. ("Qwest" or "QCC") filed a Motion for Protective Order to govern certain information expected to be filed in the above-entitled proceeding.

The Parties request protection of information relating to:

- 1) A cost study that measures QCC's cost of providing long distance products in an economically efficient manner;
- 2) The information contained in the cost study;
- 3) Responses to discovery relating to the cost study that require either disclosure of information contained in the cost study or disclosure of other proprietary information necessary to provide responses to discovery.

Qwest has submitted the affidavit of Teresa K. Million, Staff Director of Service Costs with QCC, in support of the motion. Qwest argues that the identified information is trade secret in accordance with § 30-14-402(4), MCA.

The PSC determines that Qwest has shown good and sufficient cause in fact and in law that the information for which protection is requested is entitled to protection from uncontrolled public disclosure pursuant to § 69-3-105, MCA, and in accordance with the analysis set forth in *The Great Falls Tribune v. Montana Public Service Commission et al*, 2003 MT 359 (December 18, 2003). Therefore, the PSC grants the Parties' request and hereby orders that information submitted be treated as "confidential information" under the terms of this Order and PSC protective order rules, ARM 38.2.5001 through 38.2.5030. This Order is issued subject to modification, if, in accordance with the Court's holding in the *Great Falls Tribune* decision,

Commission direction so requires. Any modification to the Order will be preceded by notice to Qwest and will allow an opportunity to be heard on the matter. Additional process and modification of this order, if any, will be entered subject to Qwest's opportunity to appeal or challenge the additional process or modification.

IT IS THEREFORE ORDERED that Qwest's motion for a protective order is granted.

DONE AND DATED this 20th day of January, 2004, by a vote of 5 to 0.
